I am now in possession of all the needed signatures of citizens in this Congressional District as required by said Republic Act 6735 to support the Petition of this Committee to the Commission on Elections to place this proposed law in the ballots in accordance with law and the Philippine Constitution.

I am hereby exhibiting to you, as the official representative of the Commission on Elections in this District, to request for official verification and authentication of the said signatures and I further request for your issuance of the Certification described below which is self-explanatory and has been prepared for your convenience and completion:
