----- **The statements below need not be read in open court** -----

I CERTIFY that I have kept myself neutral all throughout the deliberation, except by voting secretly in the same manner that all members of the jury were required to vote secretly as instructed by the rules. I have not influenced any member of the jury to cast his or her vote either way. I further certify that each ballot was correspondingly **voted on** and **initialed personally** by the juror in this jury.

Respectfully submitted by:

Reviewed for **initials** and **count correctness** by two jurors:
